PRS RULES

EVENT DETAILS:

Event is open to the public.

Our PRS Shoot is intended to be a fun and challenging event. The rules were developed using rules as used in other similar events local and far. The combined and altered rules were formatted to work for us to suite our range layout, as well as to allow any discipline of long range shooter to attend and be competitive. We may even throw a special event in . The special event could be a single round up to no more than 10 rounds. (Special event rules will be as specified the day of the event).

REGISTRATION:

Registration open from 8:15 to 8:50AM.

First relay called to the line 9:00AM.

COST:

Cost will be \$15.00, and \$5.00 per additional firearm.

EQUIPMENT NEEDED:

Firearm: Centerfire or Rimfire rifle in caliber of .17, .204, .22, .243 6mm, .264 6.5mm, .284 7mm, .30, additionally we will allow .338 CAL, however they will be in a separate relay after the other relays are completed.

Eye and ear protection is REQUIRED of shooters, spotters and spectators.

Rest, bags, bi pod. Adjustable rear rest or fixed rests (Lead Sled type) will be in a different class. Bags can be shared between shooters on separate relays.

About 60 rounds of ammunition is all that is needed. A total of 30 rounds needed for score.

Spotting scope, binoculars & tripods. Although not necessary but if available you can be a great help in dialing in a friend or competitor.

Chamber flag, chamber chiller or physical barrier to prevent action from closing.

Chamber flags are available at the club for \$3.00 each

TARGETS:

Targets used will be custom Heidelberg Sportsmen's Association targets. (Shooter name, relay, bench will be noted on target).

Each target box requires 1 shot, Box 1-5 are scored targets.

Shoot-N-See targets will be provided for sight-in at 200 yards.

Bench/Position number will be on the target for positive target identification.

SCORING:

Inward Scoring Method will be used. The highest scoring ring broken will be counted as the target score. "X" ring must be broken open to score a 10-X. Plug Gauges will be used to determine close shots.

ONLY 5 shots per relay. Extra shots in a scoring box result in "NO SCORE". There are no "MAKE UP" shots allowed!

Scoring will be completed by a non-competitor if one is available. Scorer and MD have the final call on all scored targets.

FLYERS, MISTAKE HITS:

Notify the RO of MD if you shoot the incorrect targets or another shooter shoots your target. "MAKE UP" shots are not allowed in any case.

ORDER OF EVENT:

Each relay will shoot their 3 strings at the shorter distance. (rimfire 50 yards) (centerfire 100 yards)

After all relays are finished, the relays will move to the longer distance in order.

TIMES FOR RELAY:

5 minutes for setup (equipment brought to line)

3 minutes for Sighters

2.30 minutes String 1 (5 shots)

3 to 6 minutes break-Action Open/Safe & Flagged (time determined at beginning of match based on weather conditions)

2.30 minutes String 2 (5 shots)

3 to 6 minutes break-Action Open/Safe & Flagged

2.30 minutes String 3 (5 shots)

Relay will clear the line after all shooters have completed String 3.

READY CARDS:

Ready Cards will be used to indicate the shooter is ready early.

The sooner a shooter is ready the sooner we can get the next relay on range. You will not be given extra time to get ready. However being ready helps of us get done sooner.

SPOTTERS:

Spotters are encouraged to help call shots for the shooters.

Spotters can also help call Flyers/Mistake shots on targets.

GENERAL CONDUCT:

Anyone on the property shall NOT be under the influence of alcohol or illicit drugs.

Participants and spectators are expected to conduct themselves in a courteous and sportsmans-like manner at all times. Any person or person who violate these rules may be ejected from the event site at the Match Director's discretion with no refund!

Match Director may disqualify a competitor for any safety concerns.

Anyone caught cheating, altering a score card will result in a DNF on their score card.
