Range closing for event setup and events;

Rifle range will be closed day of the 22 Steel Challenge Shoot.

Rifle and pistol ranges will be closed the day of the trap shoot.

Rife range will be closed the days of the Cowboy Shoot and the Big Bore Shoot.

Rifle range will be closed the day of the Tactical Shoot, the Friday before the Tactical Shoot, and may possibly be closed Monday-Thursday from 1100-1500 the week before the Tactical Shoot.

If you come to shoot and someone is working on range to set up for shoot, or working on the range for any reason, talk to them to see if they are going to be working much longer. It is possible they may soon be finished. We need these times as these events raise money to keep the club expenses to a minimum for membership dues.

Note: Person in charge of event will open the range after the event is concluded.

Thank you for your understanding on this matter.
